'New-for-Old' insurance

All your home contents are covered by the policy on a 'new for old' basis, with the exception of linen and clothing which will be replaced at their current cost, less an amount for wear and tear. When you are working out the cost of your insurance, you will need to work out how much it will cost to replace all of your contents as new.

Special low minimum sums insured

The lowest amount that can be insured is:

- £6,000 if you are over the age of 60.
- £9,000 for all other people.

What payment options are available?

Pay As You Go – If you select to pay by fortnightly or monthly this is called a Pay As You Go policy. This means your insurance cover is in place as long as you continue to pay your premiums.

Annual Policies – If you choose to pay annually this is a 12 month insurance policy, where you will receive a renewal invitation each year.

Cost of Insurance

You can work out the cost of your insurance by following these easy steps:

- 1. Use the do-it-yourself valuation sheet opposite to work out how much cover you need.
- 2. Now refer to the premium cards enclosed to select the premium you will pay.

The monthly Pay As You Go policies, can be paid by Direct debit, include an additional transaction charge of 4.6%.

The cash options available, which are payable via swipe card at any Post Office either, monthly or fortnightly, also include the card transaction charge of 46p.

Each of these are more expensive than paying annually.

You can use the below to work out your Premium
